## Description

Built for ultimate performance when the weather refuses to cooperate. The 39 can run and fish with the big dogs in any condition. With triple outboard power, hard core anglers will appreciate the extra wide-beam of 11'6", which allows the 39 to offer a spacious and well-designed platform. It also comes with all the storage space you will ever need, while creating a layout that is as functional fishing as it is in entertaining. If you seek the ultimate in performance and style, with a surprising level of comfort thrown in, the Yellowfin 39 has you covered on all fronts.
