Description

It is the boat true, die-hard fishermen dream of. The boat that has but one reason to exist: to help you catch the kind of fish that win tournaments – plain and simple.

Powered by triple Yamaha 300hp engines, the Contender 39'ST is untouchable in the open water, and yet, the 39'ST really proves itself when conditions deteriorate. With a standard 500-gallon fuel tank capacity, you'll take advantage of greater range while you get there faster, drier, and smoother than the rest.
